Grants & Fellowships

NWO VENI Grant (PI), EUR 320,000	2026
NWO Starter Grant / SSB (PI), EUR 336,000	2025
GSBE Fellowship, Maastricht University	2025
World Bank Research Support Grant (Co-I), USD 100,000	2023
World Bank Knowledge for Change Grant (Co-I), USD 200,000	2021
Peter Sinclair Prize (1st place), 9th MMF Society PhD Conference	2022
David Walton Distinguished Doctoral Scholarship	2020
ESRC Scholarship (MPhil + DPhil), approx. GBP 150,000	2015

Teaching

Maastricht University (2023–present)

Average evaluation: 8.4/10 (coordinator); 9.3/10 (tutor)

- ICT, Labour and Inequality (EBC2130) — coordinator, 2023–24, 2024–25
- Modern Economic Crises: Causes and Solutions (EBC2191) — coordinator, 2023–24, 2024–25
- History of Economic Thought (EBC2153) — co-coordinator (with K. Bosmans), 2023–24, 2024–25, 2025–26
- International Economic Relations: the Case of Europe (SSC3034) — co-coordinator (with M. Sanders), 2023–24, 2024–25
- Contending Perspectives in Economics: the Case of Inequality (SSC2010) — coordinator, 2025–26
- Economics for Business Engineering (BENC1005) — coordinator, 2023–24

Supervision

PhD students (1st supervisor): 2 students, 2025–26 onwards

BSc theses (1st reader): approx. 22 students over 2023–25 (89% submission rate)

MaRBLLe BSc theses: 4 students (2024–25), all passed; 1 winner of SBE thesis prize

MSc theses: 3 students (2024–25)

EIT Research Supervision (outside SBE)

Research lead on five distinct projects; direct management of 3 post-docs and 9 pre-docs

Teaching Fellow, University College London

2022–23

Statistical programming & statistical learning (MSc Data Science for Public Policy)

PhD Course Instructor, Heidelberg University

2022

Text analysis methods

Junior Lecturer / Tutor, University of Oxford

2017–2021

Macroeconomics, Money and Banking, Mathematics for Economists, Labour Economics

Instructor, ViaX

2019–2021

Short research projects in Economics

Selected Presentations

2025: ASSA (Philadelphia); EEA; RES; ECB; OECD (Paris); CEPR Conferences; NEUDC; CEPR Conference on the Economics of Ageing and Longevity (London, co-organiser)

2024: CEPR Economics of Longevity & Ageing Workshop (London); ECB AI in Economics Seminar (Frankfurt); OECD (Paris); NEUDC; MeasureDev; London Longevity Workshop; LBS Economics Alumni Conference (discussant)

2023: LSE Inequalities Institute Seminar; CEF (Nice); Conference on Expectations in Dynamic Macroeconomic Models (Vienna); MWZ Text as Data Workshop

2022: MMF PhD Conference (Edinburgh); Oxford Economics & ML Jamboree; Behavioural Macroeconomics Workshop (Bamberg); CIFAR BMB Fall Meeting (Berkeley); KOF Swiss Economic Institute (Zurich); CFE (London); Investor Emotions & Asset Pricing Meeting (Lille)

2021: EEA-ESEM; Barcelona GSE Summer Forum; CEF (Tokyo); RES Symposium of Junior Researchers (Belfast); Methods and Measurement Conference (Philadelphia)

2020: Econometric Society Winter Meeting (Nottingham); ISCEF (Paris); Young Economist Symposium (Philadelphia); Warsaw International Economics Meeting

2019: CEF (Ottawa); EcoMod (Ponta Delgada); RES Junior Researchers Symposium; CFE (London)

2018: CFE/CMStatistics (Iasi)

Academic Service

Editorial Roles

Guest Editor (with D. Canning and J. Wallenius), Special Issue on “Economics of Ageing and Longevity”, *Journal of the Economics of Ageing*, 2026.

Assistant Project Lead, CEPR Research Policy Network on Ageing and Longevity, 2025–present.

Conference & Seminar Organisation

Co-organiser (with D. Canning and J. Wallenius), CEPR Conference on the Economics of Ageing and Longevity, London Business School, 2025.

Co-organiser (with M. Moatsos), MILE Seminar Series, Maastricht University, 2024–present.

Co-organiser (with G. Piccillo), track at MORSE Conference.

Refereeing

Journals: European Economic Review; Journal of Applied Econometrics; Macroeconomic Dynamics; Journal of Business and Economic Statistics; Journal of the Economics of Ageing; Oxford Bulletin of Economics and Statistics; Behavioral Finance and Asset Prices; Sociological Methods and Research; Applied Economics; Empirical Economics

Grant review: Social Sciences and Humanities Research Council of Canada (SSHRC)

Departmental Service

Co-founder, Inequality Dynamics research theme, MILE, Maastricht University (with M. Moatsos) — includes 3 PhD positions and research fund of EUR 70,000+, 2024–present.

Second reader, BSc thesis groups (S. Terstiege and L. Borghans supervisee groups).

Grading, International Classroom Admissions Essays.

UTQ/BKO (University Teaching Qualification), completed 2025.

Outreach & Dissemination

Podcasts: CEPR VoxTalks (*The Economic Consequences of Living Longer*); EADi Innovating Methods (*Using AI to Analyse Qualitative Data*); SBE Podcast #26 (*Can we have several careers?*); The Finance Bro

Blogs: VoxDev; World Bank Development Impact Blog; SBE Blog, Maastricht University

Software: *iQual* — Python package for scaling up qualitative analysis using NLP/LLMs (World Bank GitHub)

Skills

Programming: R, Julia (advanced); Matlab, Python (intermediate)

Languages: English (native), German (advanced), Dutch (intermediate)
